FROM: Mychal Fowlds, IT Director
DATE: November 18, 2014
SUBJECT: Update on Cable Franchise Agreement Negotiations

Introduction

This item is being presented to keep you informed on the happenings at the Cable Commission as it relates to the renewal of the Cable Franchise Agreement.

Background

The City of Maplewood is a member of the Ramsey/Washington Suburban Cable Commission. The City currently has a Cable Franchise Agreement with Comcast that lasts until November of 2014. The Cable Commission has been and is currently involved in the Cable Franchise Agreement renewal process. Part of that process has been extending our existing agreement until 2016. The Commission continues to work with their legal team but is in somewhat of a holding pattern until the details of Comcast's sale of their local network is finalized.

Budget Impact
