Jim Taylor, Parks Manager
SUBJECT: Parks System Plan Update
DATE: February 19, 2013

DISCUSSION

The City Council has made one of their 2012-2014 goals to explore a referendum for a sustainable parks system and to develop a comprehensive parks system plan. Staff believes these two things can be done simultaneously through the community process.

Staff will give a detailed presentation on The Parks System Plan and the community driven process staff will use to create the plan. Following the presentation, Staff will answer any questions that the Council may have.

RECOMMENDATION

The City Council should discuss the Parks System Plan. No formal action is needed at this time.
